REAL WORLD RESULTS

REXA Action Plan

West Bridgewater-based REXA provides industrial control products used in various sectors. With the help and guidance of the U.S. Commercial Service, REXA held meetings with reputable Turkish companies and decided to partner with one which has won new business for REXA in the power plant sector.

REXA's Objectives

Develop new business and qualified partners overseas.

REXA's Success

"A well planned business experience in Turkey." -Neil Isreb, International Sales Manager, REXA
