

Greater Boston Manufacturing Pitch Event & Resource Showcase

**Tuesday, March 31, 2026
8:30 – 11:30 a.m.**

**Shaw Hall, Charles River Campus of UMass Amherst
100 Carlson Avenue, Newton**

Are you a **small manufacturing business owner, startup founder, resource provider, or local business** dedicated to manufacturing in Greater Boston? Join us for a **free, in-person** dynamic pitch event and resource showcase designed to connect startups and existing small manufacturers with the capital, expertise, and assistance they need to start, grow, and scale, including:

- Traditional & alternative funding pathways
- Technical resource support
- Opportunities for strategic partnerships

Who Should Attend?

- Small & early-stage manufacturing companies
- Founders developing physical products or hardware
- Innovators seeking connections to capital, mentorship & growth support

Why Attend?

- Connect with other manufacturing start-ups & industry experts
- Network with curated representatives from manufacturing-focused resources
